Which DJs would your students be listening to? Here's a few suggestions (mostly Australian!) if you want to look for repertoire.

Timmy Trumpet
Will Sparks
Joel Fletcher
Kittens
DJ Tigerlily
Blond:ish
Jasmine Solano

Urban

Nino Brown
Dr Noiz
Havana Brown
DJ Carisma
DJ Diamond Kuts

The best thing about being a DJ is making people happy. There is nothing like seeing people get up from a table to dance or the expression on their face when they hear a song they love.
